**About St. John the Baptist:** St. John the Baptist Catholic Church is an active member of Harrison and the surrounding areas with goals of helping each other and bettering the community. Thanks to the generosity of donors like you, we have been able to set and achieve goals of helping others financially, spiritually and academically through numerous programs and outreach efforts, both in our local neighborhood and throughout Greater Cincinnati (Mary Magdalene House, St. Vincent de Paul Society, Reach Out Pregnancy Center, Bountiful Hearts, to name just a few), and in our sister parishes in El Salvador. Our parish and school together offer a range of programs geared towards educating both youth and adults in faith development, academic excellence for our youth, and quality athletic programs, while building a sense of responsibility and community.
