A Schola Cantorum, originally part of early liturgical tradition, is a specialized ensemble of varying size exploring a breadth of repertoire from polyphony to the contemporary, offering an informed historical perspective. St. John the Baptist is a burgeoning community founded in 1851 with a new and expansive facility built in 2019.

We seek those who possess a professional background, or are pursuing degrees, in music performance (vocal, instrumental, organ, sacred music) or a related field who possess significant leadership experience and ensemble skill, who have excellent sight-reading ability, and who inspire with excellent vocal technique and musicianship:

- 1 soprano, 2 mezzo sopranos, 1 tenor, 1 bass-baritone

Schedule will encompass 1 appointment consisting of 2 services, which are a rehearsal and a mass:

- 1 hour of rehearsal to be determined, likely prior to service, 2:30–3:30pm;
- 1 service, every second Saturday 4pm Vigil mass from September to May

Music load will encompass on average:

- two ensemble selections and, for example, a Kyrie/Agnus Dei or other combination from a mass such as di Lasso *Missa Quinti Toni*, Gerald Near Communion Service, or a *Missa Brevis* of Healey Willan or Benjamin Britten;
- congregational service music (hymns and other selections) will be briefly reviewed.

The following are opportunities for additional remuneration up to \$675, *although not requirements*, for the SJB Schola contingent upon availability and budget:

- vespers (evensong), 2-3 performances annually in Fall and Spring;
- paid section leader duties with SJB parish choir which serves the 11:15am Sunday mass and rehearses weekly Thursday 7-8:30pm (leading up to Christmas and Easter, 7-9pm) from September to Pentecost; 1 rehearsal and 1 service per month, including call at 10:15am.
