Altaration Session 5 - Due October 26

Opening Prayer

“Lord Jesus, in this program, we have been on a journey and have come to see that things are not always what they seem. We have discovered that there is so much more going on at Mass than we realize. Even if we still do not fully understand what we have learned, thank you for opening our eyes to this profound mystery of our Faith. Help us continue to “see” and come to believe that we are fully united with you and each other in the gift of the Mass.

We ask this through Christ our Lord.

Amen.
