

## SJB Instrumentalists

- SJB needs all instruments: strings, brass, woodwinds, percussion (including keys & bells). Instrumentalists support and ornament congregational singing.
- SJB enjoys instrumental ensembles such as brass quintet and timpani and Christmas & Easter, but also on other important occasions, like Confirmation. Contracted and volunteer opportunities available!
- Scheduling is flexible and allows choice of involvement and mass time. Benefits include respite, self-worth, pride, fun, and faith-building.
